

POPPLEWELL ELEMENTARY

2024/2025 RECOMMENDED SUPPLY LISTS

The following standardized supply list is for Popplewell Elementary school, grades Kindergarten through Grade 5. Parents may be asked to replenish supplies during the year should your child's supplies become depleted or unusable.

Please put your child's name on their supplies. However, there is a donation portion of the list. This donation portion, at the bottom of the list, is not required but greatly needed. The donation supplies will be used communally so they do not need the student's name.

Popplewell Elementary may ask for a student incentive fee. The student incentive fee is used for character education, student of the month, monthly perfect attendance, etc. so that we can provide a more enriching educational experience for all of our students. It is very important that parents understand that these requests are for donations in order for a student to be provided with such materials or experiences. Not all students bring supplies; any support from parents in providing additional classroom supplies is greatly appreciated. All supplies can be purchased at local retail stores.

Thank you for supporting your children and Popplewell Elementary
