

POPPLEWELL ELEMENTARY

2025/2026 SUPPLY LISTS

The following recommended supply lists are for Popplewell Elementary School, kindergarten through grade 5. Please put a name on any supplies you bring for your child.

There is also a donation portion of the list. This donation portion is greatly needed. The donation supplies will be used communally so they do not need a student name. Not all students bring supplies; any support from parents in providing additional classroom supplies is greatly appreciated.

All supplies can be purchased at local retail stores.

Popplewell Elementary is asking for an incentive fee of \$10. The student incentive fee is used for character education, student of the month, monthly perfect attendance, etc. so that we can provide a more enriching educational experience for all of our students. It is very important that parents understand that these requests are for donations in order for a student to be provided with materials or experiences.

Thank you for supporting your children and Popplewell Elementary!
